I had my first trip with DAC. Both the group coordinators yashika and Akshay were active and gave timely response with a well coordinated trip. Good package structure and a friendly approach made the trip comfortable. Though our group was abit lazy, arrangements made by the team were on time. Our return bus could have been better but since it was rescheduled it was okay. It's just because of the personal touch and sheer dedication by the team I am giving 5 stars and not 4. Will surely love to travel with them again.☺☺

This was my first ever trip with DU Adventurers Club as a group leader and I must say, it was indeed an unforgettable one. It was the group's first ever college trip and they made memories of a lifetime. The coordinators Akshay and Yashika are one of the best human beings that I have come across. They would themselves suffer but never let a client be uncomfortable. Hats off to such dedication and responsibility. Some uncomfortable moments did happen regarding the Volvo service, nevertheless we sailed through it with laughter and some jokes and the coordinators were very supportive. Apart from this, the trip was fun, exploratory and memorable. We literally danced the nights away. We didn't even realize when the trip got over, it was that engrossing. I hope DU Adventurers Club reach heights. I am looking forward to going on another trip with them and making more memories. Really, it was a learning experience for me personally. And I would cherish it for a lifetime. Kudos to team DU Adventurers Club!
